

Adventure capital

Adinah Capital Partners continues its journey by investing in niche manufacturing businesses serving the needs of clients globally.

Escape Gear is a local manufacturer of custom fit, cotton seat covers for any vehicle. Escape Gear also manufactures a range of vehicle protection accessory products for any customer; from the 4x4 enthusiast to the soccer mom transporting messy children.

Adinah Capital Partners is an investment management company focussed on investing in private companies and taking advantage of unlisted investment opportunities in new and old companies that are innovative, disruptive and solve structural inefficiencies in the value and supply chain of companies and economies.
